

Summer SCHOOL

SESSION ONE: JUNE 15TH - 26TH

SESSION TWO: JULY 6TH - 17TH

SESSION THREE: JULY 20TH - 31ST

2026 HARTLAND-LAKESIDE SUMMER SCHOOL

4K – 2nd Grades will be at Hartland North Elementary School
232 Church Street, Hartland, WI. 53029

3rd – 7th Grades will be at North Shore Middle School
800 E. North Shore Drive, Hartland, WI. 53029

NEW THIS YEAR:

NO Summer School: June 29th through July 3rd
4K – 5th Targeted Practice Classes are for Hartland-Lakeside students with a teacher recommendation ONLY.

We will run 3 two-week sessions:

2 Week Sessions: June 15 – June 26, July 6 – July 17, July 20 – July 31

Every session there will be some new options to choose from. Please only sign up for the sessions you know your children will be able to attend.

Registration Information:

- **Current students: Online registration only – please use your Skyward Family Access to register.**
- All courses with fees **must be paid in full** before registration will be accepted. E-funds payment option is preferred, otherwise mail your checks to the attention of Maureen Lawler:
Hartland-Lakeside Summer School
800 E. North Shore Drive
Hartland WI 53029
- Non-resident fees are set at \$10.00 per class.
- Non-resident families need to contact Maureen Lawler at mlawler@hartlake.org or (262) 369-6780 for registration.
- **Online registration begins March 27th at 10:00 a.m. Classes will have enrollment caps, so please register early. Registrations must be completed by June 1st.**
- Classes that have less than 10 students may be cancelled, and students will be notified to select another class.

Afternoon Camp will be held at Hartland North Elementary School

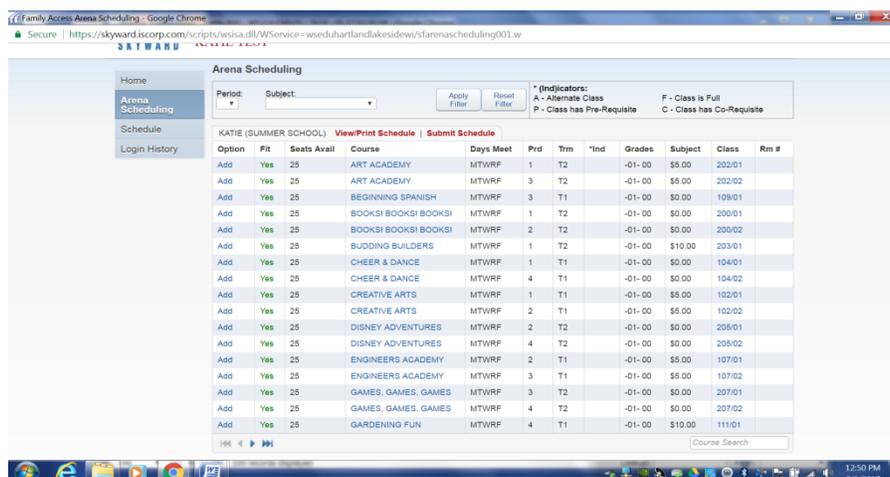

The Village of Hartland will run afternoon camps from 12:30 p.m. – 5:30 p.m. at Hartland North. Students must be 6 years old to attend this camp. **Students attending summer school at North Shore Middle School will be bussed to Hartland North for the Afternoon Camp.** To register for afternoon camp please contact the Village of Hartland directly at 262-367-0352 or by going to the [Village of Hartland Website](#).

Summer School Online Registration Instructions

Online Registration begins on Friday, March 27th at 10:00 A.M. and ends on Monday, June 1st at 10:00 P.M. Register early as all classes have enrollment caps and are closed when full. There are **NO** wait lists for closed classes.

***Please Note:** Online registration is for students **currently** in Grades 4K through 7 in the Hartland-Lakeside School system. All other students please contact Maureen Lawler at either mlawer@hartlake.org or 262-369-6780, for a login and password to sign up for classes.

1. To view the Summer School class booklet, log on to the Hartland-Lakeside website at www.hartlake.org, scroll down to **Updates & Stories**, click on **View All Stories** then the **Summer School booklet**.
2. To sign up for classes, log on to the Hartland-Lakeside website at www.hartlake.org, click on Family Links, click on **Skyward Family Access** and log in using your Skyward username and password.
3. Click on the **Arena Scheduling** tab on the left - you will see your child/children's names in the drop-down box. Click on the **2025-26** under the name of the child you want to pick classes for.
4. Click the **Add** button in front of the class you would like to enroll in. Click the remove button to remove a class from your child's schedule.

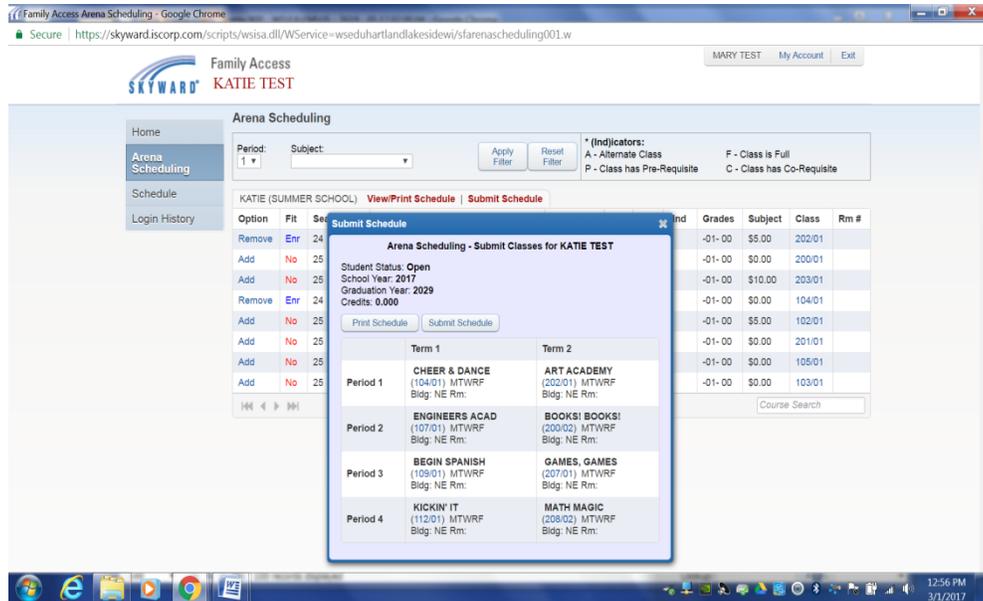

Term refers to the session
 T1 is for 2 Weeks
 T2 is for 2 Weeks
 T3 is for 2 Weeks

Prd refers to the hour
 1 is Hour 1
 2 is Hour 2
 3 is Hour 3
 4 is Hour 4

5. Clicking on the **Arrows** at the bottom of the page gives you more selections. The cost of each class is listed under Subject. Seats Avail tells you how many seats are available for the class. If the class is full, you will need to pick a different class. There are no wait lists for classes.

- When you have picked all the classes you want for the **sessions your children will attend**, click on the **View/Print Schedule** tab to verify your student's schedule. If your selected classes are correct, click on the "X" at the top in the right-hand corner to return to the previous page.

- Once you have picked the classes you want for the **sessions your children will attend**, you are ready to submit the classes for this child. Click on the **Submit Schedule** tab, verify your child's schedule again and then click **Submit Schedule**. Print out a copy of your child's schedule to bring along on the first day. Click the "X" to close the small window. You can now register your next student. Go to the Arena Scheduling tab and select your next child.
- The last step is paying for your classes. The preferred method of payment is E-funds. After logging into E-funds, go to the **Summer School** tab under Schools and **Add** a payment. Payment can also be made by check. Total fees for all summer school classes, for your whole family, can be paid with one check. Send one copy of your child's/children's schedule(s) with the check made out to Hartland-Lakeside Schools and marked summer school to the District Office, Attention: Maureen Lawler. **Payment must be made at the time of registering for classes.**
- If you have any questions or need help with your registration, please contact Maureen Lawler at: mlawler@hartlake.org or 262-369-6780.

Hartland-Lakeside 2026 Summer School Class Offerings

Please select classes based on your child's CURRENT grade level as of Jan. 1, 2026.

4K/5K Class Descriptions

CLASS DESCRIPTION	FEE
4K Targeted Practice - *This class runs for three 2-week sessions for 2 hours each day and is only for Hartland-Lakeside School students with a teacher recommendation.* This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.	\$0.00
5K Targeted Reading Practice - *This class runs for three 2-week sessions for 1 hour each day and is only for Hartland-Lakeside School students with a teacher recommendation.* This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.	\$0.00
5K Targeted Math Practice - *This class runs for three 2-week sessions for 1 hour each day and is only for Hartland-Lakeside School students with a teacher recommendation.* This class is designed to extend and enrich student learning throughout the summer, so that students enter the next grade level with the skills, strategies, and knowledge needed to be successful.	\$0.00
3D Masterpieces Bring imagination to life in this hands-on 3D Art class! Young artists will explore texture, shape, and structure by building, painting, and sculpting with recycled materials, clay, and sensory materials. Perfect for building fine motor skills and creative thinking, kids will make their own 3D masterpieces.	\$5.00
Active Adventures Have fun learning and playing playground games with your friends like four square, jump rope, kickball and free play.	\$0.00
Adventures in Every Page Come enjoy reading a children's book and creating a project or acting out the story in a fun way.	\$0.00
Animals Around the World Explore amazing animals from the Arctic to the rainforest. Through stories, crafts, games, and hands-on activities, children will learn where animals live, what they eat, and what makes them special.	\$0.00
Art Adventure Students will learn about works of art from various artists and create their own kid friendly versions of each piece.	\$5.00

Ballet In this class, dancers will learn beginning ballet in a fun and creative way! Each class will focus on learning new ballet steps, in addition to ballet choreography. The session will conclude with the dancers presenting their finished ballet dance for an audience!	\$0.00
Builder's Bash Be creative and rotate through centers to build with different objects like boxes, blocks and more. Kids will practice making a plan of what they want to build, playing and building together with peers and sharing materials.	\$0.00
Chalk Fun Join us for fun with chalk art. Students let your imagination bring your creativity to life with chalk art. Have fun making projects indoors and outdoors, including the sidewalks around Hartland North.	\$5.00
Creation Station Display your creative side through the use of Legos. Students will plan and design a display that will reflect the theme for the week.	\$0.00
Dinosaur Enthusiasts Roar into summer with Dinosaur Explorer, a dino-mite adventure where your little paleontologist will dig, craft, and discover the prehistoric world – sign up today before this class goes extinct!	\$5.00
Dodgeball Games Like to play dodgeball with your friends? Come learn the skills of dodgeball and get your body moving. This class is designed for people of all skill and ability levels. Let's play.	\$0.00
Flag Football Like to play football with your friends? Come learn the skills of flag football and get your body moving. This class is designed for people of all skill and ability levels. Let's play.	\$0.00
Great Bubble Lab Love bubbles, then this class is for you! You will learn to make your own bubble solution and then do some cool activities with it. Painting, writing and making different shape and size bubbles just to name a few....you will bubble over with excitement.	\$5.00
Growing Together Come dig, plant, and grow with us this summer! In this class, we'll explore the secret world of plants through learning, art, and muddy hands. You will paint containers, plant seeds, learn how plants grow, and get to take plants home. Please send appropriate clothing as they will get messy.	\$5.00
Hockey Get your heart pumping! Learn the skills of hockey and have fun playing with and against your friends. This class will include lots of activity and is designed for people of all skill and ability levels.	\$0.00
How to Drawing This fun, step-by-step drawing class introduces fundamental art skills into simple shapes, lines, and curves. Through guided, hands-on projects, children build fine motor skills, confidence, and creativity in a supportive environment.	\$5.00
Imaginarium – Art & Story Telling In this creative class, students will dive into storytelling and art each day! They will explore different ways to tell stories-through drawing, painting, puppetry, and even making their own books. Every day brings a new way to express creativity!	\$5.00
Jazz/Hip Hop In this class, dancers will have a blast learning new dance moves! Each class will have a warm-up consisting of stretching and movements that help with coordination followed by learning choreography for a Jazz/Hip Hop dance. The session will conclude with the dancers presenting their finished dance for an audience!	\$0.00
Kickball Like to play kickball with your friends? Come learn the skills of kickball and get your body moving. This class is designed for people of all skill and ability levels. Let's play.	\$0.00
Melody Makers Have fun with activities that involve music and movement, such as singing, dancing, playing instruments, making instruments and our very own music	\$0.00
Origami Come learn how to turn simple pieces of paper into amazing creations like animals, flowers, and fun shapes.	\$5.00
Soccer Learn the rules and skills necessary to play this sport. Then use that knowledge and those skills to play games. This is a physically active class for students of all ability levels. You will have plenty of time to practice, develop your skills, and have fun.	\$0.00

Space Explorer Blast off into summer with Space Explorer, where your little astronaut will build rockets, discover planets, and explore the stars – secure your spot before this adventure launches!	\$5.00
Spanish Expedition HOLA AMIGOS! Students will learn basic vocabulary and phrases in Spanish. Your student will enjoy interacting with others all in Spanish! They will learn about the language by speaking, singing, dancing, playing games and doing simple crafts.	\$0.00
Tag Games Like to play Tag? Play different versions of your favorite game. Come and have fun with your friends.	\$0.00
T-Ball/Baseball Join this active class to learn and improve your baseball skills and compete in fun and competitive games.	\$0.00
The Story Lab We will read a book as a group and then the students will create a craft of their own that matches the book while building their fine motor skills.	\$0.00
Themed Art All the seasons are fun and need decorations! Be creative with drawing, stickers, watercolors and finger painting to make a colorful picture. Students will be following different steps and need to be patient and good listeners to make projects and help clean-up.	\$5.00
Underwater World Dive into summer with Underwater Explorer, where your little adventurer will create, play, and discover the wonders of the deep sea – reserve your spot before this ocean adventure floats away!	\$5.00
World Adventures Embark on a global adventure with World Explorer, where your child will celebrate cultures, create crafts, and travel the world through hands-on fun – sign up now for this exciting journey.	\$0.00

<p>Around the World in 10 Days Students will “travel” to a new country each day as they explore geography, culture, landmarks, and traditions from around the globe. Through hands-on art projects, STEM challenges, and interactive activities, students will create a personalized travel passport and showcase their learning in a fun Travel Fair at the end of the course.</p>	\$0.00
<p>Babysitter’s Club Learn the essentials of becoming or brushing up on your babysitting skills.</p>	\$0.00
<p>Basic Fun Facts Want to improve your math skills or do you just have a passion for math? Join us as we practice our math skills through games, activities, and teamwork.</p>	\$0.00
<p>Beginning Baking Do you like to eat yummy treats? Then this is the class for you! You will get to learn how make a wide variety of baked goods that you will be able to take home and teach others.</p>	\$5.00
<p>CAD Modeling-3D Printing Engineers in this class will learn how to use a web-based computer-aided design (CAD) platform to create different projects that could be printed on NSMS's very own 3D printers!</p>	\$10.00
<p>Card Games Card games are a lot of fun! Learn how to play the classics and use different strategies while playing independently or as a team. Make up your own cards and rules and decide which ones you like the best!</p>	\$0.00
<p>DIY Crafts If you love crafting, this class is for you. Come and make a variety of crafts while spending time with your friends.</p>	\$5.00
<p>Environmental Fun Students will explore the area around the school through different lenses including environmental features as well as organism focuses. Students will be learning about different parts of the natural world by hand on visualizing and describing what they see.</p>	\$0.00
<p>Escape Room Put your problem-solving skills to the test by working as a team to solve puzzles to escape the room.</p>	\$0.00
<p>Fashion Design Students will design their own line of clothing and then have a “fashion show”.</p>	\$5.00

Fielding Sports Come and join in lots of different outdoor sports. Baseball, soccer, basketball, etc. Join in the fun.	\$0.00
Fishing 101 Cast away the summer blues! Come learn the fundamentals of freshwater fishing, from knot-tying and tackle box essentials to fish identification and “catch and release” ethics. Perfect for beginners looking to gain confidence on the water.	\$10.00
Flag Football Like to play football with your friends? Come learn the skills of flag football and get your body moving. This class is designed for people of all skill and ability levels. Let’s play.	\$0.00
Golf/ Mini Golf Basics Like to play golf/mini golf with your friends? Come learn the skills of golf/mini golf and get your body moving. This class is designed for people of all skill and ability levels. Let’s play.	\$0.00
Graphic Novel Creation Students will become authors and illustrators as they design and create their own graphic novels. They will learn how to develop characters, plan a storyline, and use panels, dialogue, and illustrations to tell a story. The course ends with a published mini graphic novel and an author showcase.	\$5.00
Harry Potter Explore the Wonderful World of Harry Potter. Students get to experience Hogwarts through house sorting, magical classes, and more.	\$5.00
Game Masters Learn and play some new, challenging board games with friends!	\$0.00
Kickball Have fun learning the basics of kickball and playing games against your friends.	\$0.00
Knitting & Crocheting Scarves for the Homeless Learn to crochet or knit a scarf to donate to people in need. No need to bring supplies or know how to crochet to sign up - Ms. J will provide yarn and instruction!	\$0.00
Logic Puzzles Work with friends to put together puzzles and solve problems posed through hidden pictures and math puzzles.	\$0.00
Mandala Art Students will draw, create, and color Mandalas.	\$5.00
Marble Rollercoasters Students engineer custom roller coasters using paper, cardboard, and foam to explore the limits of physics. By designing loops, jumps, and sharp turns, they must balance velocity and friction to successfully guide a marble from start to finish without a crash.	\$5.00
Mileage Club Do you like to run? Tie up your shoes and join us to track some miles.	\$0.00
Mystery Makers Students will step into the role of detectives and authors as they create and solve their own mysteries. They will develop characters, craft clues, and build suspense while writing an original whodunit story. The course concludes with a “Mystery Museum,” where students solve each other’s cases.	\$0.00
Outdoor Edition Let’s run around outside, get some great exercise, and enjoy playing some games with friends.	\$0.00
Pickleball Join the fastest growing sport in the country! Pickleball combines elements of tennis, badminton, and ping-pong. This class focuses on paddle control, court positioning, and the strategy of the “dink”. Low impact, high fun!	\$0.00
Picture Book In this class, students will write and illustrate their own book.	\$5.00
Pokemon Welcome to the world of Pokemon. This class will be a combination of creating our own Pokemon, typings, trainers, and adventures, as well as mastering those that already exist. We will be diving into the strategy of Pokemon, the history of the card games and video games, and exploring the many fun resources that are out there.	\$0.00
Reader’s Theater In this engaging drama-based course, students will bring stories to life through expressive reading and performance. With scripts in hand (no memorization required), students will build fluency, confidence, and teamwork skills while rehearsing and preparing for a final live performance.	\$0.00
Reading in the Wild Select a book or bring one from home! Spend this hour reading for fun. If the weather is nice, we will find outdoor spaces to enjoy reading in.	\$0.00

Robotics Learn basic principles of motion and automation through this hands-on experience. Students will enjoy their journey through mechanical motion and programming.	\$5.00
STEM Challenges Work together to creatively solve a different daily STEM challenge with various criteria and constraints!	\$0.00
Tennis Basics Like to play tennis? Come learn the skills of tennis and get your body moving. This class is designed for people of all skill and ability levels. Let's play.	\$0.00
Trivia Games & Game Shows Step into the spotlight and put your knowledge to the test! In this fast-paced, 10-day competition, students will face off in a variety of game-show style challenges. From "Jeopardy" questions to team-based "Family Feud" face-offs, you'll tackle categories ranging from science and sports to history and pop culture. Fast fingers and sharp minds are the keys to victory—who will be crowned the Summer Trivia Champion?	\$0.00
Volleyball Learn the skills necessary to compete and get your body moving while playing volleyball. This class will include lots of activity and is designed for people of all skill and ability levels.	\$0.00
Wiffle Ball It's not just backyard fun – it's a science! Students will learn the physics behind the plastic ball, including how to throw "unhittable" curveballs and improve their swing. Emphasis is on teamwork, strategy, and high-energy play.	\$0.00
Yard Games Let's get outside and play a variety of games from tag, red rover, kick the can, freeze tag and more. Do you have a game you like? Come teach it to your friends.	\$0.00
Yoga Yoga will give young yogis a love of nature, animals, people, and self. As the children stretch more and more, in time, they become aware of their bodies and the world around them.	\$0.00

HARTLAND NORTH

Jumpstart to 4K

This OPTIONAL class is for students who are registered and will attend the district's four-year-old kindergarten program for the 2026 – 2027 school year. This class will provide children with an introduction to the 4K setting. Students will experience a variety of engaging early learning activities including music, movement, fine motor activities and art. **Registration forms will be mailed to the children that have already registered to attend our 4K in Fall. Registration cannot be done online for this class.**

There will be two 3-week Sessions – Monday through Friday

Session 1: June 15th – July 10th Time: 8:30 – 10:30
(NO SCHOOL the Week of June 29th – July 3rd)

Session 2: July 13th – July 31st Time: 8:30 – 10:30
